NEW BUSINESS:

- Discussed posting Farm Bureau of CO's Rancher Support poster to website in support of Teller County Agriculture & everyone agreed to post as a Community service. This was followed by extensive discussion about Divide Chamber hosting a BBQ event in support of local farmers & ranchers at Divide Shopping Plaza. We could try to enlist businesses in plaza to support event & market their services. Discussed several Saturday dates. Peter Hintze/RDK Small Engine & Jeff Wheeler/Yonder Mountain Wood to pursue dates & use of facilities further before a date is set.

Jeff Wheeler/Yonder Mountain Wood updated his progress on Chamber website & Facebook news. He's been very busy & very successful. Facebook page is: <https://www.facebook.com/Divide-Colorado-Community-100549402079324>. Group page is: <https://www.facebook.com/groups/726173338271097>. He explained that the Facebook page is controlled by the Chamber but the Group page is available to the community to post any activity & is monitored by an approved mediator. He is working on posting more photos & we reminded him Dave Martinek/Dave Martinek Realty has Chamber event photos to share.

Peter Hintze/RDK Small Engine Repair requested anyone who knows someone who could help with computer design/graphics/flyer layout to let him know. Several members have old pdf's that we can update with new dates, but would really help if we had someone who could do quick layouts for us. Lee Taylor/Edward Jones said he might know someone who could help out.
